Chazz Palminteri – Director Bronx-born and raised Chazz Palminteri was a natural choice to continue the long line of prominent Italian actors in the film industry. In the tradition set forth in the 1970s by such icons as director Martin Scorsese and actors Robert DeNiro, Al Pacino and Joe Pesci, Palminteri has brought grit, muscle and an evocative realism to the sidewalks of his New York neighborhood, violent as they are and were. Well known for A BRONX TALE, Palminteri originally wrote the script for the stage and performed it as a one-man show in Los Angeles. It became the hottest property in Hollywood since ROCKY. Chazz has more than 50 movies to his credit including The Usual Suspects, Bullets Over Broadway (Academy Award nomination), Analyze This, Hurlyburly, Mulholland Falls, Faithful (screenplay also written by Chazz Palminteri), Poolhall Junkies, The Perez Family, Jade, Diabolique. <https://chazzpalminteri.net/>
